FESTINA

LOGO MANIA

One of the big trends in the luxury accessory segment is oversized logo signatures. This trend is very sought after, as it conveys an additional value that only a fashion powerhouse logo could bring to accessories.

The Festina writing instruments collection is composed of four pen lines that complement each other:

- “Classicals”: which is the most timeless and simple option,
- “Mademoiselle”: the feminine option,
- “Chronobike”: with its active feel and
- “Prestige”: the luxe option.

1. Prestige Chrome ballpoint pen black - FSR1544A
2. Chronobike Classic ballpoint pen chrome black - FSC1414A
3. Mademoiselle ballpoint pen black - FSC2224A
4. Classics Chrome ballpoint pen black - FSN1964A

The Festina writing instruments, across all 4 lines, are imagined around the same design DNA, to convey a sense of coherence and uniformity throughout the collection. For example the signature clip, with its unique quadrilateral shape is present on all our writing pieces.

Careful design and attention to detail were at the forefront when imagining this pen collection, as well as coherence with the Festina brand history of watchmaking. A lot of the design elements are directly inspired by this heritage, such as the Blazon adorning the cap of each pen, or design elements derived from watches stop buttons.

The Festina writing instrument collection is also made special by the very large palette of colors available, each design being offered in a wide array of colorful hues and with several options of metal trims platings.
